Golfology fore Cardiology Tournament Postponed

The Golfology fore Cardiology Pro-Am Golf Tournament scheduled for Monday, August 23 has been rescheduled for Monday, October 18. Course officials have rescheduled many events that were to be held in August in order to ensure that the course is at championship-level quality.

Players who may be unavailable for the rescheduled date should contact Event Chairman Larry Louk at 913.438.7700. Players and sponsors who would like to participate in the tournament now have additional time to take advantage of the event. For information please visit www.golfology4cardiology.com.
